* Pour les Winchs électrique : Si 2 ou 3 winchs :
Fusible = 200A, utiliser un cable de 70mm² jusqu'aux disjoncteurs,
puis 35mm² entre le disjoncteur et le relai du winch.

* Electrical Winches : If 2 or 3 winches :
Fuse = 200A, 70mm² wire from winch to circuit breaker,
and 35mm² wire between circuit breaker and winch relay.
